

# Ken Christensen Oil Workshop

June 27-30, 2023

I will be hosting a four-day oil workshop June 27-30. As usual, we will paint on-site four consecutive afternoons at four different locations. The sessions will be from 1 to 5 each day. The first day we will meet at my house/studio for introductions and a complimentary lunch at noon, then we will proceed to our location for the day.

Each day I will give a little talk and start a demonstration painting. After 30 or 45 minutes on my piece each artist will start their own painting of the subject of their choice. I will circulate and give personal attention to each artist with encouragement and suggestions. As the afternoon progresses we will take breaks and alternate between my painting in progress and the students' work.

I will try to vary the subject matter from seascape to ranch to city to landscape. Most days we will probably be in the Morro Bay/Los Osos area.

The cost for all four days including the first day's lunch is \$390. In the past some people couldn't make all four days so I am offering an a la carte rate of \$100 per day, at least two days minimum. I would like a \$50 deposit to hold your space. Upon receipt of your deposit, I will send you a complete materials list, lodging options, and further details. Sorry, no refunds the final week before the start of the workshop.

Please mail your deposit to me at: Ken Christensen, 599 Rosina Dr, Los Osos, CA 93402

Feel free to contact me with any questions you may have. All levels of painters are welcome.
